Description

Cleansing and elasticity to the skin

Fluid emulsion for a delicate and complete cleansing of the face, with an exclusive formulation, where **mineral salts of thermal water** synergize with **mauve** and **aloe**. Cleanses thoroughly and gently, respecting the natural PH of the skin.

It is suitable for daily face hygiene, it gently removes impurities and make-up, giving the skin a sweet sense of freshness, leaving it soft and luminous, avoiding its drying out caused by cleansing with common soaps and chlorinated and calcareous water of your tap.
