Description

It gives the epidermis the first hydration and predisposes an ideal receptive environment for subsequent treatments. Tonic Thermal Water plays an extremely toning action, effectively attenuates irritation caused by environmental factors and gives the skin freshness, brightness and a pleasant feeling of well-being.

APPLICATION

Morning and evening, after detergent, moisten a cotton ball with Tonic Thermal Water and pass it on face, neck and neck. The use of Tonic Water is also recommended before applying any mask. Continue with the usual Ischia Thermae treatment.
